

**Dreaming of your next escape? Why not treat yourself to a summer staycation in one of our beautiful forests, and enjoy an exclusive travel industry staff discount of up to 25%!**

Summer is the perfect time to enjoy a forest break - where dreams come to life and memories are made... tree climbing, hiring bikes, picnics, BBQs, archery or Go Ape (perfect for the teenagers!). Then continue to relax during the warm summer nights by stargazing from your own private hot tub and spending quality time with family in the comfort of your cabin.

From toddlers to teenagers, parents to grandparents, our family breaks offer the perfect time to escape with your loved ones. Reconnect with the people who matter most to you this summer.

With a wide range of things to do, including Forest Ranger activities, fishing or more adventurous pursuits such as canoeing, you can be sure that there is something to keep the whole family entertained. If you're looking for a more relaxing break, enjoy a choice of over 100 box office films and Wi-Fi with our in-cabin entertainment package. Or, after a day exploring and discovering the local area together, retreat back to your cosy cabin and enjoy a barbecue out on the decking followed by a soothing dip in your very own hot tub.
