

Voucher for a complimentary financial planning consultation worth £150

Doing nothing is why many people struggle to make ends meet. Granted, dealing with financial issues can be daunting. Do you know how you would pay your bills if you fell ill or were made redundant? Or if your pension will give you enough income when you retire? Or how you could help your children or grandchildren financially? But these things have to be faced. And talking them through face-to-face with one of our professional financial advisers will set your mind at ease. We offer impartial, practical, affordable financial advice. This advice is specific to you and could improve your financial situation.

As a member of BA Clubs, you are entitled to a no obligation, complimentary consultation worth £150* with one of our professional financial advisers. They can meet you at home, at work, or elsewhere. They will explain how you could benefit from advice and how much it will cost. We've over 200 advisers all over the UK, so there's bound to be one near you. Do it now. Not because we say so, but because you owe it to your family and yourself.

You'll be amazed how a piece of our mind can lead to your peace of mind.
